FORWARD

ONWARD SO AS TO MAKE PROGRESS
TOWARDS A SUCCESSFUL CONCLUSION

Over the past two years, our world has changed drastically. Now more than ever, the church must rise up and unite. There is an overwhelming need, but our first step is leaving a mark on the next generation and paving a pathway FORWARD. God has been moving on Steph and I's heart. We feel a sense of urgency to share the gospel like never before.

The Forward Campaign is a strategy that was birthed out of a desire to impact the next generation. Our heart is to leave in their hands a thriving, energetic church filled with vitality. Through campus expansion, enhancement of our facilities, and caring for

those in great need we will move the vision forward. It is a God-sized vision that requires an abundance of resources to accomplish. Sowing this seed now determines our children's opportunities tomorrow. This is our chance to leave a lasting legacy.

Potential Church stands in a very strategic time and place. There is rapid growth taking place across the state of Florida and our reach stretches internationally. Surely, God has placed us in this place, for such a time as this, to reach people for Christ.

God has blessed our church greatly in the past, but He is not finished yet. We must continue to prepare today to experience all He has planned for tomorrow. More than plans on a piece of paper, FORWARD is an integral part of the vision of 50 campuses worldwide, 100,000 lives transformed and \$150,000,000 to impact the world for good.

The Forward Campaign is a 1-year Campaign that begins in May of 2022. We are praying and believing that we will break ground before the Campaign ends in 2023.

In addition to the efforts of our church family, we are seeking to partner with leaders and organizations outside the Potential Church community who can make 1-year commitments. Funds may be given through cash, check, online and bitcoin.

No. The choice to give and the faith promise amount are a personal matter between you and God. Although everyone has different giving potentials and the amount they give will vary, we should each be challenged to give sacrificially to expand God's Kingdom.
