MY GREATEST GIFT

POTENTIAL CHURCH

A year of
BREAKTHROUGH

DEAR FRIENDS & FAMILY

As a church family, we have declared 2022 a year of breakthrough. The seeds we are planting today will be harvested for years to come. Our church has been on the front lines of helping minister and care for those in need, and Steph and I want to personally thank you for your acts of generosity.

The church is not just a building, but a family of people committed to see the lost come to Christ. You are the blueprint and driving force of our church. At the conclusion of each year, we give our greatest gift offering together. It is our prayer that during this holiday season we would feel nudged to give above and beyond for all God has done for us individually, and also corporately this past year.

This program is a compilation of impact stories and stats from 2022. We love sharing with you, because you are the HEROES of these stories. We are looking forward to what God will do through us in 2022. We love you and pray for God's abundant blessings over your life this upcoming year.

Love,

YOUR COMMITMENT TO THE VISION

Potential Church is a home for those seeking refuge. We embrace our mission to partner with people that are far from Christ, and help them enter into a relationship with Him. Because of your selfless generosity and commitment to the vision, we have seen countless lives transformed, families restored, young people brought up and empowered, and broken hearts healed. Your giving has helped Potential Church meet the physical, emotional, and spiritual needs of our community.

Kenneth & Gigi began attending Potential Church during a rough patch in their marriage. On the brink of losing it all, they surrendered their lives and relationship to Christ and experienced restoration in the process. They now serve Christ and His church together each and every weekend.

For a long time, I prayed to find a worship community that I could learn from and help grow my gifts. When I first started coming to Potential Church, I knew my search was over. I got connected and quickly realized this was home. The leadership I found here was exactly what I prayed for and I couldn't be more grateful. I'm constantly encouraged, challenged, and reminded that I was created on purpose, for a purpose. There hasn't been a day where I haven't felt a rush of excitement to be a helping hand, ensuring the service is done in excellence. Serving God is an honor and is something I will always have a passion for. I am forever grateful for the family I found at Potential Church.

Terry lives in Fort Myers, Florida. She is an elderly woman who lives alone. Terry reached out to us as a “last resort” when a general contractor promised to fix a plumbing issue but did not complete the work once he was paid. Potential Church set up a plan to bless Terry with a week in a hotel while Potential Church hired a team to correct her plumbing issues, and deployed our missions team to remodel her home.

Love Life Walk

This August, we partnered with the Love Life Organization, seeking to put an end to the abortion and orphan crisis. We rallied our congregation to participate in a prayer walk at the abortion clinic Plantation, as well as provide signatures for The Human Life Protection Act, which would restrict abortion access in the state of Florida. We also committed to becoming a House of Refuge and safe place for families/women in crisis.

Ukraine

As a church, our desire has always been to respond to local and international crisis. This year, you helped provide families and children in war-torn crisis with basic supplies such as food, water, hygiene kits, psychosocial support, and cash assistance. Together, we helped provide relief where it was needed most.

Forward CAMPAIGN

Impact the next generation

The Forward Campaign is a strategy that was birthed out of a desire to impact the next generation. Our heart is to leave in their hands a thriving, energetic church filled with vitality. Through campus expansion, enhancement of our facilities, and caring for those in great need, we will move the vision forward. It is a God-sized vision that requires an abundance of resources to accomplish. Sowing this seed today determines our children's opportunities tomorrow.

This is our chance to leave a lasting legacy.

PENSACOLA, FL CAMPUS

Potential Church is a multi-site church with the desire to see 50 campuses across the globe. Our campus in Pensacola, FL has an on-site partnership with the Pensacola Dream Center. Through this partnership, we have witnessed incredible life change in this corner of the world. Your faithful giving has allowed our Pensacola campus to take new ground and bring the gospel to those in desperate need.

In The Past Year...

41 PALETTES of food and supplies distributed in the local community.
\$600 WORTH OF BABY SUPPLIES donated to local pregnancy centers.
Over **\$3,000 IN BENEVOLENCE** provided to those in need. Over **500 MEALS** distributed to needy families through our Meals on Wheels program. Food distribution to underprivileged students in **34 DIFFERENT SCHOOLS** across the panhandle.

The past four years, we have helped financially support the launch of 'Canopy of Hope,' a ministry of the Pensacola Dream Center that ministers and houses victims of sex trafficking. The official launch date is set for November 2022.

LIMA, PERU

CAMPUS

Our campus in Lima, Peru has pivoted since the COVID-19 pandemic. Our congregation was forced out of their building into a temporary meeting space. While the team and congregation has continued to meet, it has been under challenging circumstances. We have worked to raise enough money so that our campus in Lima can move into a new and larger building in Miraflores, allowing the congregation to double in size!

So far, you have
helped raise
\$85,000 towards
our Miraflores
campus launch!

Our campus in Lima has been in partnership with surrounding cities to help meet the basic needs of those living below the poverty line. If not for your faithful commitment, many of these individuals would not have the access to have their basic needs met.

***\$2,600 RAISED** towards the construction of a new building for "Villa Misionera," a nonprofit organization that provides christian education and discipleship to children and youth living in poverty.

SHE MINISTRY

SHE ministry was birthed in the heart of our lead pastor, Steph Gramling in 2009. This ministry consists of quarterly gatherings with worship and teaching, connect groups that meet throughout the year, and leadership development/mentorship. SHE is for women of all ages, backgrounds, and walks of life to be encouraged, inspired, and empowered to walk in their God-given destiny and purpose.

Patrick and I came from two different walks of life. He has a troubled past, and me a single mom focused on survival. Our relationship progressed quickly and soon decided to move in together, creating many challenges. I became unhappy and angry, and ended up making life-altering mistakes. It was at this point, Patrick suggested we attend church together.

One Sunday morning we watched a Potential Church service online, and loved it so much, we decided to attend in person. That Sunday, we found a home at Potential Church. We gave our lives to Christ and began serving in the youth ministry.

We felt the nudge to be baptized, but knew we needed to get married, as we were living in sin and felt convicted by it. Even though we had a date set for 2023, we decided to get married, and that weekend, we were baptized.

We have made Potential and our walk with Christ our number one priority. We are blessed and filled with love, purpose, and vision for the future.

When I started serving at Tribe Café, I was 15 years old and was only seeking service hours for my high school graduation requirement. At that time, I struggled with depression due to being cooped up at home from quarantine and not having the day-to-day human interaction that I had when I was in school. Eventually, I stopped coming to Potential for just my service hours, but instead I came for the environment and peace I felt every Sunday when I entered through those doors. It's nice to look forward to something so special throughout the week and know even in bad times it will never fail you. I have gained knowledge on many things since I started coming here and will continue to because I still have so much to learn, and for that I am glad. I love you, Potential Church!
